Parent Help Welcome

We welcome and greatly appreciate help from parents or caregivers in our class. Please see your class teacher to let them know when you would like to assist.

We look forward to becoming partners in your child's education!

Learning Program

Early Childhood Education involves learning through play and concrete experience, involving children in the PROCESS of learning rather than becoming focused on the product.

Children will learn the knowledge, understandings, skills and values equipped for beginning their school education journey.

An important part of the Early Childhood program is the partnership and communication between parents and teachers. We have become partners in your child's education this year and together we can ensure your child reaches their full potential.

Arrival and Departure Times

Doors Open	8.40am
Teaching Begins	9.00am
Lunch	12.30pm
End of School	3.00pm

STUDENTS MUST BE COLLECTED BY AN ADULT AT THE END OF THE DAY.

What to Bring

Bags—Students are encouraged to bring a large bag to school to carry their own belongings and place all the things they take home at the end of the day e.g. lunchbox, jumper, paintings, notes etc.

Drink Bottles—Please provide a water bottle with your child's name clearly written on it.

Hats—Students are expected to wear a hat during outdoor playtime for sun protection throughout the year.

Shoes—Please ensure students wear shoes that are safe for running and climbing in the playground area. Shoes such as sandals and sneakers are recommended.

Clothing—The most suitable clothing for students to wear each day are outfits that are comfortable; all care is taken to keep students' clothes clean from "messy" activities by wearing aprons.

School uniforms are available from the front office, if you wish to purchase them.

Personal Item List

Each student is requested to bring items from the list, which will support your child's educational journey this year.

Recess

Students bring a piece of fruit each day for recess. This will be cut up and shared on trays and forms part of our "Social Skills" program and healthy eating at school.

Lunch

Students bring their lunch each day. Lunch boxes are recommended to keep food protected in schoolbags and during lunchtime.
