

We are a 123 Magic and Emotion Coaching School

What is 123 Magic and Emotion Coaching?

- ✓ This simple program provides our teaching staff with a consistent approach to set limits and manage behaviour that can be disruptive to learning. Our primary focus is on providing a positive learning environment, supported by good relationships.
- ✓ Emotion coaching helps nurture this. Staff will use empathy to help children reflect on and identify with their emotions, which in turn assists social and emotional well-being and self discipline.
- ✓ Staff have completed the training and we implement the program as a whole school approach. Our school has access to ongoing support from Behaviour Tonic. Parents and carers from our school can also access courses and advice.
